

Basic Leadership Training

Overview

Developing leadership skills is essential in every organization. A manager who has good leadership will have a much more productive workforce and fewer labor problems. However, for most people, excellent leadership is not an inborn talent and the company would be wise to invest in training to build up this vital skill.

Objective

- The seminar aims to instill the basic principles of leadership. First, the true concepts of leadership will be explained, then the qualities that define a good leader, and finally the laws that should guide a leader's thoughts and actions.
